OPNAV NOTICE 5400

From: Chief of Naval Operations

Subj: DISESTABLISHMENT OF NAVAL AIR TECHNICAL DATA AND  
ENGINEERING SERVICE COMMAND AND DETACHMENTS

Ref: (a) OPNAVINST 5400.44A

1. Purpose. To implement Secretary of the Navy (SECNAV) approval of the disestablishment of Naval Air Technical Data and Engineering Service Command (NATEC) and detachments per reference (a).

2. Background. These disestablishments are the result of the organizational restructuring of Commander, Naval Air Systems Command's (COMNAVAIRSYSCOM) field activities which has realigned this command as a component unit identification code (UIC) under COMNAVAIRSYSCOM staff UIC 00019. The first section of NATEC detachments and UICs are completely disestablished while the second section of NATEC detachments and UICs will become components under the COMNAVAIRSYSCOM headquarters and only be removed from the Standard Navy Distribution List (SNDL). NATEC itself will continue to be listed in the SNDL "For Information Only" under the SNDL code C4 lists in order to provide a mailing address separate from COMNAVAIRSYSCOM for fleet customers.

3. Organizational Changes
